

Mineral Exhibition of Greek Collectors

The Mineralogy and Petrology Museum of the National and Kapodistrian University of Athens organises for the fifth consecutive year the “Mineral Exhibition of Greek Collectors”. The exhibition will last from November 22, 2015 to December 13, 2015.

The Museum of Mineralogy and Petrology invites the public to visit the exhibition and admire the impressive minerals from all around the world coming from Greek collections.

The event “Sunday Mornings at the Mineralogy Museum” will also be held on November 22, 29 and December 6, 13.

The event includes educational activities, lectures and guided tours for the whole family. Participants will have the opportunity to discover the beauty of gems, the particularity of meteorites, the uniqueness of fluorescent minerals, the history of Lavrio etc.

The scientific staff of the Museum organises the above mentioned interactive and educational activities.

The Tsirides Foundation (Nicosia, Cyprus) participates with rare exhibits of unique beauty in the upcoming exhibition and event.

Entrance is free.
